Dear Margaret,

Formation of a National Council

Thank you for your letter dated April 6<sup>th</sup> and the leaflet on the above matter.

I would further appreciate your information on the following:

If we want to begin with the council already from the beginning of next IW year, I wonder, whether there is any hindrance from your side to start the first council just as we agreed upon with the district committees.

Nat. rep - as president of the council

Deputy nat.rep. - as Vice- President

District Chairmen + possibility for another person from each District - as members of the council.

Secretary and Treasurer - to be called among the members of the council.

Many advanced thanks for your trouble.

Best regards
